

Neighbors Naturescaping

brightside
ST. LOUIS

What is Neighbors Naturescaping?

A program offered by Brightside St. Louis to help neighborhood groups enhance their community by planting native gardens in public spaces.

What are the benefits of Neighbors Naturescaping?

- Beautify a public or not-for-profit owned space in your neighborhood
- Restore Missouri native plant communities
- Attract beneficial wildlife, such as butterflies, bees and birds
- Reduce storm water runoff and protect our drinking water

Eligible Groups

Neighborhood associations, community groups, block units, nonprofits and school groups located in St. Louis city

Eligible Planting Locations

Medians, neighborhood entrances, parks, street barricades, tree lawns, vacant LRA lots and other public spaces approved by Brightside and must be located in St. Louis city

Locations NOT Eligible

Privately-owned properties and locations outside of the St. Louis city limits

Request up to \$1,500 for...

- ~ Perennials ~ Grasses ~ Shrubs ~
- ~ Flower Bulbs ~ Trees ~ Hoses ~
- ~ Garden Edging ~ Shovels ~
- ~ Rakes ~ Other Supplies ~

Eligible expenses include Missouri native plants selected from our recommended plant list, plus hardscape materials and gardening tools from Home Depot.
